show you!!

Who is Mega Mobile?

Mega Mobile has their office suite based in Fuengirola and are a registered company here in Spain

Mega Mobile is a low cost international call provider with service and care in place!

Mega Mobile have made it easier and cheaper for you to make low cost calls, all over the world!

Why haven't I come across Mega Mobile before?

Mega Mobile started up some months ago and have recently finalised their marketing package, which will start in a matter of weeks.

Billboards, news papers, magazines, major radio stations, sponsoring golf tournaments, local events **and** intensive web marketing.

Soon Mega Mobile is everywhere, now you could be the pioneer rather than the follower

Why are mega mobile prices so much cheaper than the competition?

Mega Mobile , uses the latest state of the art digital technology for routing and transmitting your calls, in conjunction with our low overheads, pre payment solution, and web only accounting, enables us to offer these incredible savings direct on to you!!!

What sort of call quality can I expect from Mega Mobile?

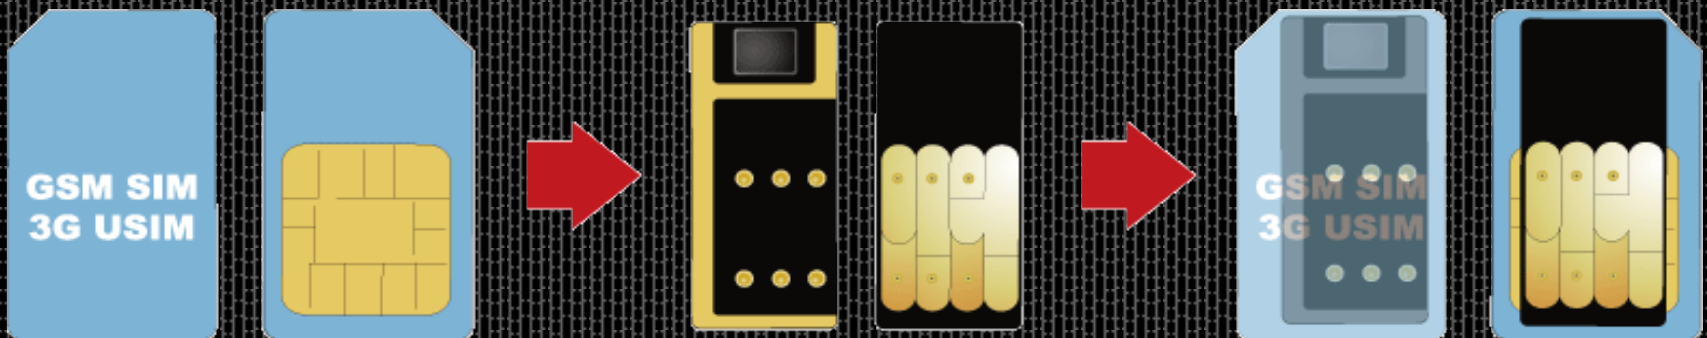

Our call quality is simply : Excellent!!!

This is achieved by using the best signalling technology, by carefully choosing our international partners and by constantly monitoring our network.

How do I make my international mobile calls?

Once your mobile phone is fitted with the MegaMobile Electronic Calling Card you dial as normal, there is no waiting for any tones or dialling any prefixes.

Do I have to commit myself by signing a contract?

No contract! As a Mega Mobile customer you pay only for the calls that you make and you are billed in per second increments.

There is no contract to sign and no need for your name and address.

How do I pay for my Mega Mobile calls?

You can pay by : Pay Pal.

You can pay by: credit or debit card.

Or you can buy the top up cards.
